Dijkstra
Meeting Minutes

Wednesday, May 1st, 2019

I. <u>Call to order</u>

Zhenghao Wu called to order the regular meeting of the **Dijkstra** at **20:30 pm.** on **May 1st, 2019** in **common space of V25 of United International College**.

II. <u>Roll call</u>

Anqin Zha conducted a roll call. The following persons were present: **Anqin Zha, Zhenghao Wu, Ruichao Zhong, Renjie Deng.**

III. <u>Approval of minutes from last meeting</u>

Anqin Zha read the minutes from the last meeting. The minutes were approved as read.

IV. <u>Open issues</u>

a) Analysis of the current progress of the project.
Summary: All of Model and View has been complete, but codes are missing in controller part. The things developer should continue to do is:
   1. Refine the UI since it is not beautiful
   2. Add function in the controller
b) Discussing of method when switching window, whether it should close and generate a new window, or just set it invisible.
Summary: when switching window, the program should close current window and create a new window.
c) Discussing the next step the developers should do.
Summary: **Anqin Zha, Ruichao Zhong** and **Renjie Deng** should develop the controller, make every bottom in the UI works, and **Zhenghao Wu** will in charge of switching window and refine all the UI.

V. <u>New business</u>

a) When showing the list, the program can use a scroll to display the list, or divide the whole list into pages, the best method should be discuss in the future.

VI. <u>Adjournment</u>

Zhenghao Wu adjourned the meeting at **21:00 pm**.
